

Intentions:

- a) The representation of the interests of shooting instructors both within the shooting industry and in wider, general terms, such as in discussion over any proposed changes to legislation or qualification requirements.**
- b) The encouragement of instructors to increase their knowledge/skills.**
- c) The provision of training opportunities for instructors to achieve an increase in knowledge and skills and, also, higher APSI qualification.**
- d) To encourage groundowners and corporate event suppliers to use instructors who have the relevant qualifications/recognition**
- e) To promote public awareness of this availability of skilled/qualified/recognised instructors for bona fide instruction**
- f) To work with other bodies within the shooting industry, and within BSSC in particular, to achieve all or any of the above.**
